

PREVENTION PARTNERS

Chronic Disease Management Workshops

Prevention Partners is proud to make available **FREE** chronic disease management workshops to assist state employees and their family members in their health care.

Chronic disease management workshops are available in the following areas:

- ◆ Adult and Childhood Asthma
- ◆ Diabetes
- ◆ Healthy Heart

Health Tips:

- ◆ Don't smoke or chew tobacco products.
- ◆ Avoid being overweight.
- ◆ Get at least a half-hour a day of moderate to vigorous exercise.
- ◆ Drink alcohol moderately or not at all.
- ◆ Eat healthy foods. Avoid saturated fats.
- ◆ Drink 64 ounces of water every day.
- ◆ Eat five servings of fruits and vegetables a day.

WARNING: Consult your physician before starting any exercise program.

Self-care is an important component of managing chronic disease. Self-care is what we do to prevent, recognize and treat specific health problems. Practicing self-care also can result in an improved sense of health and a better quality of life.

Furthermore, self-care enables you to recognize symptoms that require medical attention. Seek medical attention as needed and avoid unnecessary visits to the doctor or emergency room.

If you wish to have Prevention Partners schedule a chronic disease management workshop at your worksite or area, please contact us at 803-737-3820.

Programs, Services, Resources and Activities

Participation is open to all worksites covered by the State Health Plan, including state agencies, public school districts, county and municipal offices, and local subdivisions. Participation in this **FREE** service is simple and easy.

To become active, a worksite names a volunteer coordinator and files a letter of intent with Prevention Partners. If your worksite is not currently active, please see your benefits administrator or contact Prevention Partners at 803-737-3820.

Preventive Worksite Screenings

The screening is available to state employees and retirees whose primary insurance coverage is one of the following plans:

- ◆ State Health Plan Standard Plan
- ◆ State Health Plan Savings Plan
- ◆ Companion
- ◆ CIGNA
- ◆ MUSC Options

Medicare and TRICARE Supplement enrollees are not eligible.

The screening is available at a minimal copayment of only \$15.

Your Prevention Partners coordinator or benefits administrator organizes screenings.

Prevention Partners also schedules one regional screening a month on an ongoing basis, moving throughout the state to reach offices with small numbers of employees.

If your worksite is interested in having a screening, please call Prevention Partners at 803-737-3820.
